

ACROPRINT

ATR480

TOTALIZING TIME CLOCK

THE WORLD'S MOST RECOGNIZED TIME CLOCKS.

ATR480 TOTALIZING TIME CLOCK

FEATURES

- Automatically calculates time between punches & totals time in hours and minutes.
- Saves you time preparing for payroll; totals employees' hours worked.
- Handles up to 50 employees on a weekly, bi-weekly, semi-monthly, or monthly pay period, or you can choose a job-costing option.
- Two-color printing, showing early and late punches; makes time card editing easy.
- Calculates actual/rounded time and can automatically deduct break time for totals.
- Time can print in standard AM/PM hours or military format.
- Requires ATR481 time cards.
- Offers an internal alarm or use external bell/horn to signal shift start/end or breaks.
- Unit may be wall or table mounted.
- Includes battery back up for use during power outages.
- Manufacturer's two-year limited warranty.
