

5200/5217N Synchronized Analog Clocks

Put everyone on the same page with synchronized timekeeping over multiple departments or work stations. Staff is accountable and punctual, schedules are standardized, productivity is improved, and operations run more efficiently.

TimeTrax Sync™ Synchronized Analog Clocks receive time signal from 7000 Master Clock (sold separately). Can be used as replacement clock for Simplex 3-wire synchronized clock systems. Features low profile black bezel with non-glare shatterproof polycarbonate lens and includes anti-theft wall bracket for safe and secure mounting. Automatically adjusts for Daylight Saving Time. Choose from 13" (5200) or 17" (5217N) sizes. Ideal for school, office or anywhere precise time source is required.

Every clock displays the same time.

- o Receives BCD time signal from 7000 Master Clock (sold separately) or 58th/59th sync signal
- o Replacement clock for Simplex 3-wire synchronized clock systems
- o Standard 12-hour analog clock face
- o Available in 13" (5200) or 17" (5217N) models
