## A quick start to the work day.

The **TimeTrax™ Elite Swipe Time Clock System** simplifies and automates employee time and attendance processing. The system uses magnetic stripe swipe cards to instantly record employee punches. Keypad enables optional supervisor-approved pin number entry. Manages weekly, bi-weekly, semi-monthly, or monthly pay periods. Includes TimeTrax™ time and attendance software and 50 swipe cards. Edit employee time cards and run reports, including Time Card, Attendance, Employee Punch, Detail Payroll, Employee Detail, Hourly Summary and Employee Seniority reports. Automatically calculates employee hours, overtime and holiday hours. Creates export files for most major payroll provider, including **ADP®**, **Fidelity®**, **Heartland®**, **PayChex Preview®**, **PayChoice®** and **ProData Evolution®**. Directly syncs with Quickbooks®. Simple to setup and easy to expand with employee upgrade packages, additional swipe cards, and/or PSDLAUBTK Add-On Time Clock Terminals.

- Reads magnetic stripe swipe cards to record employee punches
- Audible beep and card number screen display confirms successful employee punch
- 🗑️ Eliminates need for paper time sheets or time cards
- Includes TimeTrax™ time and attendance software
- Downloads employee punches to PC software
- Accommodates unlimited employees with **Employee Upgrades** and additional **swipe cards**
- Holds up to 6,000 punches between downloads
- Enables employee time card editing
- Features payroll reports
- Manages weekly, bi-weekly, semi-monthly or monthly pay periods

\*PSDLAUBKK kit includes terminal, 50-employee software package & 50 swipe cards. Holds up to 6000 punches per terminal, per download. Employee software upgrades, additional swipe cards & terminals sold separately.

Model PSDLAUBKK
